Index to *The Hospital Medical Staff*, volume 12, January to December 1983

ACCREDITATION ISSUES
Disaster preparedness. (Affeldt) Jun-25
Drug utilization. (Affeldt) Feb-28
Outpatient surgery. (Affeldt) Apr-18

ADMINISTRATION
Environmental forces expand management slots for physicians. (Hejna and Gutmann) Apr-2
Medical directors grow in numbers, responsibilities. (Lloyd) Feb-12

ALLIED HEALTH PROFESSIONS
Ebb tide for allied health professions. (Friedman) Feb-21

AMBULATORY CARE
Hospitals and physicians: Allies in ambulatory care. (Burns) Oct-14

AMERICAN HOSPITAL ASSOCIATION
AHA convention consensus: Physicians crucial to hospitals' viability. Sep-9

AMERICAN MEDICAL ASSOCIATION
Highlights of AMA interim meeting. Jan-27

ANTITRUST LAWS
The antitrust implications of medical staffing decisions. (Zingman and Hable) Oct-6
Feds propose medical staff redefinition. (Robinson) Apr-22
Must a hospital permit nonMD health practitioners to render services in a hospital? (Chenen) May-13
New antitrust reality: an overview. (Epstein) Oct-2
Physicians and PPOs: antitrust lessons from *Maricopa* (Finke and Gary) Jul-10

CARDIOPULMONARY RESUSCITATION
How a university teaching hospital implemented CPR training for its medical staff. (Simendinger and Lyon) Jan-13

COMPETITION
Competition is in the eye of the beholder. Mar-25
Cooperation will conquer competition. (Landgarten) Sep-30

COMPUTERS
Digital doctors. (Friedman) May-16

CORPORATE RESTRUCTURING
One 'secret' to a successful reorganization: communication. (Guncheon) Aug-28
Want a DSA facility? Try a limited partnership. (Mullahey and Glavas) Oct-20

COST CONTAINMENT
MDs in DC take on Medicare caps. (Robinson) Sep-20
Prospective pricing may offer answer to rising hospital costs. (Richards) Mar-2

CREDENTIALS REVIEW
Credentialing: a testing ground for health care change. (Plant) Nov-14
Credentialing and quality of care. (Landgarten) May-29
Where power should lie in credentialing disputes. (Robinson) Jan-8

DIAGNOSIS-RELATED GROUPS
DRGS, bylaws, and staff privileges: Is confrontation inevitable. (Palmisano and Conrad) Dec-9
DRGs demand physician involvement in management. (Riffer) May-27
Physicians weigh impact of DRGs. Apr-20
When MDs meet DRGs. (Ellwood) Dec-2

DISASTER PREPAREDNESS
Accreditation issues. (Affeldt) Jun-25

DIVERSIFICATION
Hospitals and physicians: Allies in ambulatory care. (Burns) Oct-14

DYING PATIENTS
Hospice regs pose major hurdles for medical staffs. (Pryga) Nov-7
How to promote hospice to hospital medical staffs. (Enck) Nov-2
VA hospitals adopt right-to-die policy. Nov-12

EDITORIAL BOARD
Four join editorial advisory board. Jan-18

EDUCATION
Changing hospital payments: Implications for teaching hospitals. (Bentley) Sep-2

ETHICS COMMITTEES
Ethics committees: trend for troubling times. (Keenan) Jun-2

HEALTH CARE SYSTEM
Competition is in the eye of the beholder. Mar-25
New antitrust reality: an overview. (Epstein) Oct-2
Not all physicians are embracing a new 'corporate sector' in health care. (Cunningham) Sep-24

HEALTH ECONOMICS
Cost of "back-up" care unknown, says GAO. Sep-18

HEALTH INSURANCE
Congress moving toward health insurance for unemployed. Jun-20
Picking up the health care tab: the role of Blue Cross-Blue Shield. Jan-22

HOSPICE CARE
AHA fears restrictiveness of hospice rules. Oct-13
Hospice regs pose major hurdles for medical staffs. (Pryga) Nov-7
How to promote hospice to hospital medical staffs. (Enck) Nov-2

HOSPITAL-BASED PHYSICIANS
HCFA issues final regs for reimbursing services of hospital-based MDs. (Steeber) Apr-26
Regs issued on payment for hospital-based MDs. Apr-9

HOSPITAL IMAGE
How the public views hospitals. (Landgarten) Jul-16

IN MY VIEW
Catcalls blur the real issue. (Landgarten) Jan-11
Cooperation will conquer competition. (Landgarten) Sep-30
Credentialing and quality of care. (Landgarten) May-29
How the public views hospitals. (Landgarten) Jul-16
Medical staffs can help protect endangered species. (Landgarten) Dec-16

LAW
Malpractice liability continues to expand. (O'Brien) Jun-12

LEGISLATION
Legislative loose ends, major health legislation face 98th Congress. Feb-19

LONG-TERM CARE
Concern grows over meeting long-term care needs. Jul-24

MALPRACTICE LITIGATION
Malpractice liability continues to expand. (O'Brien) Jun-12

MANAGEMENT
DRGs demand physician involvement in management. (Riffer) May-27
Environmental forces expand management slots for physicians. (Hejna and Gutmann) Apr-2
Medical directors grow in numbers, responsibilities. (Lloyd) Feb-12
Medicine and management: an evolving partnership. Aug-21
One 'secret' to a successful reorganization: communication. (Guncheon) Aug-28

MEDICAL ETHICS
Ethicist in the hospital: the Cleveland Clinic experience. (Kanoti and Hartwell) Jun-9
Ethics committees: trend for troubling times. (Keenan) Jun-2
Not all physicians are embracing a new 'corporate sector' in health care. (Cunningham) Sep-24

MEDICAL STAFF

The antitrust implications of medical staffing decisions. (Zingman and Hable) Oct-6
Credentialing: a testing ground for health care change. (Plant) Nov-14
Feds propose medical staff redefinition. (Robinson) Apr-22
Interdependence is new mode for medical staff members. (Freishtat) Jan-2
MDs and hospitals: conflict or partnership. (Goldsmith) May-3
Medicine and management: an evolving partnership. Aug-21
A survey of hospital medical staffs—Part I (Noie and others) Dec-18
Ten common errors in dealing with marginal practice. (Thompson) Feb-2

MEDICAL TRENDS
Ebb tide for allied health professions. (Friedman) Feb-21
Interdependence is new mode for medical staff members. (Freishtat) Jan-2

MEDICARE/MEDICAID
AHA opposes physician assignment plan. Dec-25
Mandatory Medicare assignment would cut physician participation. Aug-19
MDs in DC take on Medicare caps. (Robinson) Sep-20

MEDICOLEGAL ISSUES
Ethicist in the hospital: the Cleveland Clinic experience. (Kanoti and Hartwell) Jun-9
Ethics committees: trend for troubling times. (Keenan) Jun-2
Where power should lie in credentialing disputes. (Robinson) Jan-8
Who pays the damages for wrongful birth, life, and death? (Bernstein) Feb-7

NUCLEAR MEDICINE
NRC documents incorrect radiopharmaceutical doses. Mar-17

NURSING
General nursing shortage ebbing, IOM study says. Mar-18

PEDIATRIC CARE
Judge blocks HHS attempt to regulate denial of care. Jun-19

PHARMACY
Drug utilization. (Affeldt) Feb-28

PHYSICIAN BEHAVIOR
DRGs, bylaws, and staff privileges: Is confrontation inevitable? (Palmisano and Conrad) Dec-9
Ten common errors in dealing with marginal practice. (Thompson) Feb-2

PHYSICIAN/HOSPITAL RELATIONS
AHA convention consensus: Physicians crucial to hospitals' viability. Sep-9
Contractual relationships between hospitals and physicians. Nov-19
DRGs, bylaws, and staff privileges: Is confrontation inevitable? (Palmisano and Conrad) Dec-9
Hospitals and physicians: potential adversaries. Jun-27
MDs and hospitals: conflict or partnership. (Goldsmith) May-3
Physician-hospital diplomacy crucial in prospective system. (Kahn) Mar-11
Prospective payment to alter relationships between MDs and hospitals. (Bloom) Jun-21
Prospective pricing ushers in new era in hospital/MD relations. Aug-2

PHYSICIAN SUPPLY
Shift in physician supply, distribution shown in HHS study. Oct-12

POINT OF LAW
Must a hospital permit nonMD health practitioners to render services in a hospital? (Chenen) May-13
Who pays the damages for wrongful birth, life, and death? (Bernstein) Feb-7

PREFERRED PROVIDER ORGANIZATIONS
Lawyers see PPOs growing in importance. Nov-13
Physicians and PPOs: antitrust lessons from *Maricopa* (Finke and Gary) Jul-10
PPOs: Should physicians do it themselves? (Kodner) Jul-2

PROSPECTIVE PRICING SYSTEM
Changing hospital payments: Implications for teaching hospitals. (Bentley) Sep-2
Close-up picture of TEFRA basics. (Thompson) Mar-19
Complexities of prospective pricing surface. Jul-23
Coping with new reimbursement regs. (Baptist and Feller) Jul-18
DRGs demand physician involvement in management. (Riffer) May-27
Medicare prospective pricing is here. May-25
Physician-hospital diplomacy crucial in prospective system. (Kahn) Mar-11
Physicians weigh impact of DRGs. Apr-20
Prospective payment to alter relationships between MDs and hospitals. (Bloom) Jun-21
Prospective pricing may offer answer to rising hospital costs. (Richards) Mar-2
Prospective pricing ushers in new era in hospital/MD relations. Aug-2
When MDs meet DRGs. (Ellwood) Dec-2

QUALITY ASSURANCE

Designing a quality assurance program: an approach that works. (Matheson) Apr-11

RADIOLOGY
Want a DSA facility? Try a limited partnership. (Mullahey and Glavas) Oct-20

REGULATION
House exempts physicians from FTC regulation. Jan-20

REIMBURSEMENT
Close-up picture of TEFRA basics. (Thompson) Mar-19
Coping with new reimbursement regs. (Baptist and Feller) Jul-18
HCFA issues final regs for reimbursing services of hospital-based MDs. (Steeber) Apr-26

SALARIES
Salaried doctors. (Friedman) Aug-11

SURGERY
Accreditation issues. (Affeldt) Apr-18

TEACHING HOSPITALS
Changing hospital payments: Implications for teaching hospitals. (Bentley) Sep-2

UNEMPLOYMENT
Congress moving toward health insurance for unemployed. Jun-20
Health workers hold their own in depressed job market. Aug-20

UTILIZATION REVIEW
MDs in DC take on Medicare caps. (Robinson) Sep-20

WASHINGTON MEMO
AHA fears restrictiveness of hospice rules. Oct-13
